The Favorite Home Remedy, PAIN KILLER,

, been before the public over THIRTY YEARS, i probably has a wider and better reputation n any other proprietary medicine of the present day. At this period there are but few es schools, Lodges, etc. inacquainted with the merits of the PAIN KILLER; but, while some extol it as a lin ment, they know but little of its power in easing pain when taken internally; while others use it in ternally with great success, but are equally ignorant of its healing virtues when applied externally. We therefore wish to say to all, that it is equally successful, whether used internally or externally. It is sufficient evidence of its virtues as a standard medicine to know that is is now used in all parts of the world, and that its sale is constantly increasing. No curative on." This ended Spencer, and he agent has had such a wide spread sale or given DAVIS' PAIN-EILLER is a purely vegetable objection to it is the difficulty of gath- the Sun and Mercury, forty-four be- it is doubtful whether his nerves have materials, and with a care that insures the compound, prepared from the best and purest

is a perfectly safe medicine, even in the mo unskilful hands. It is eminently a FAMILY MEDICINE : and br

years after he discovered her. Great vegetable Tonic is playing the misinterest was felt in his prediction, and chief with his bitters fired with rum. the production of corn will be eight times greater than last year. This is truly encouraging to us all.

The Kinston Gezette says: Goldsfor efficiency, and rapidity of action. In the great cities of India, and other hot climates, it has become the standard medicine for all such complaints, as well as for Dypsepsia, Liver Complaints, and ad other kindred disorders For Coughs and Colds, Canker, Asthma and Rheumatic difficulties, it has been proved by the most abundant and convincing testimouy to we would caution the public against all imi-

on, or Cincinnati, O. tations of our preparation, either in name or tyle of putting up.
